Dear Ms. Hughes:

I have the following questions to ask of the Fair Political Practices Commission..

I give employees of my campaign committee earned vacation time as roughly the same basis they would earn in state employment.

May I pay for vacation time earned in 1988 but not taken until 1989 out of pre-Proposition 73 funds that have not been "segregated"?

Would there be a difference if I paid for the accrued vacation time in 1988 even if the vacation were not taken until 1989?

Sincerely,

A handwritten signature in dark ink, appearing to read "David Roberti". The signature is fluid and cursive, with a large initial "D" and a stylized "R".
